

VALIANT AGM & GEL SERIES WARRANTY

VALIANT AGM & GEL WARRANTY AND LIMITATIONS

Valiant Battery warrants that all AGM/GEL products are free from defects in material or workmanship for the following terms:

- VTA series AGM – 12-18 months from purchase date (based on model)
- VTD series AGM – 24 months from purchase date
- VTG series GEL – 24 months from purchase date
- VTC series Lead Carbon – 36 months from purchase date

WARRANTY TERMS

- Warranty term is to start at date of purchase. Proof of purchase may be required for warranty replacement.
- Warranty is valid for replacement only and has no cash value. In regards to batteries that are provided under warranty replacement, the warranty term shall continue for the balance of the period remaining on the original purchase.
- Warranty is half the term for industrial applications such as construction, floor scrubber, and heavy equipment.

WARRANTY EXCLUSIONS

- Batteries that have been frozen.
- Batteries returned with OCV (open circuit voltage) less than 9.6V on 12V models, 6.4V on 8V models, 4.8V on 6V models and 1.6V on 2V models.
- Batteries with terminal damage due to improper termination.
- Swelling or other case/vent damage due to overcharging.
